

## FY18 General Appropriations Act Chapter 70 Aid Distribution

**Adjusted for changes in district composition  
Operating districts only**

**Note:** Under the House FY18 budget, a handful of districts whose Chapter 70 aid was negatively affected by a change in the method of identifying low income students are provided with funds from the foundation reserve ("pothole") line item. Although these districts were not identified in the House budget, it is possible to determine how each of the affected districts "should" have received from the pothole account. In both the Senate and General Appropriations Act budgets, districts negatively affected by the low income student change are provided with additional Chapter 70 aid, rather than funds from the foundation reserve. The three sets of districts (House, Senate, and General Appropriations Act) are not identical. The districts that are provided with additional aid in the General Appropriations Act budget are highlighted in YELLOW below. For purposes of an FY18 "apples-to-apples" comparison, the amounts "due" each district from the House foundation pothole account are added to the districts' FY18 House Chapter 70 aid allocations.
