

FY18 Senate Chapter 70 Aid Distribution

Operating districts only

Note: Under the House version of the FY18 budget, a handful of districts whose Chapter 70 aid was negatively affected by a change in the method of identifying low income students are provided with funds from the foundation reserve line item. These districts were not identified in the House budget. In the Senate version of the FY18 budget, an overlapping, but not identical, handful of districts also negatively affected by the low income student change are provided with additional Chapter 70 aid, rather than funds from the foundation reserve. Districts in this latter group are bolded below. For the districts in both groups, the aid comparison between the FY18 Senate and House budgets is not "apples to apples."
